## CIRCULAR

### Sub: **Pre-final Year Research Paper Award Scheme**

1. In order to inculcate a culture of innovation and mind-set of problem solving in B. Tech./B.Pharm./ L.L.B. students, it is imperative to encourage the students from pre-final year itself for group study, studying research papers and developing problem solving approach.
2. For self motivation of Pre-final Year students towards the above objective, the Management has decided to award cash prize of Rs. 1000/-only along with a letter of appreciation to a student/group of students for the Best Research Paper in each & every discipline.
3. Apart from knowledge components, the evaluation criteria will include novelty of idea and potential for further work progression as well.
